Dear ABC ,

I am writing to express my enthusiastic interest in the Front-End Web Developer position at your company. I am very eager to apply for the web developer position at your company as advertised on LinkedIn, and I am incredibly excited about the opportunity to start my career with your organization.

Although I am a beginner in this industry, but I have knowledge of HTML, CSS, Bootstrap, Tailwind, JavaScript, React js, Front-End Frameworks, Responsive Design , API and some backend technologies. I recently completed three of my projects using MongoDB. And I have several other projects on GitHub, Github links are given above. Some of which I have attached in my resume.
